STATE OF DELAWARE
The Civil Union and Equality Act of 2011
Effective January 1, 2012

In accordance with Delaware law, insurers are required to provide the following notice to applicants of insurance policies issued in Delaware.

The Civil Union and Equality Act of 2011 ("the Act") creates a legal relationship between two persons of the same sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Delaware to spouses in a legal marriage. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Delaware law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to Chapter 2 of Title 13 of the Delaware Code or the State of Delaware website at www.delaware.gov/CivilUnions.

Georgia

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family abuse.

STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

In accordance with Illinois law, insurers are required to provide the following notice to applicants of insurance policies issued in Illinois.

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Recover or Recovery means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

GBD-1200 F07 (MD)

Calculation of Monthly Benefit: Return to Work Incentive: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 36 consecutive months as follows:

- 1) multiply Your Pre-Disability Earnings by the Initial Benefit Period Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

After the 36 consecutive month period, We will determine Your Monthly Benefit as follows:

- 1) from Your gross monthly long term disability benefit, we will deduct Other Income Benefits;
- 2) then, deduct 50% of Your Current Monthly Earnings. The

result is Your Monthly Benefit.

The 36 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits. The

result is Your Monthly Benefit.

GBD-1200 F12

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

GBD-1200 F14

Rehabilitative Employment Benefit: *What happens to my benefits if I participate in a Rehabilitation Program?*

If you participate in a Rehabilitation Program, We will increase Your Monthly Benefit by an amount equal to 10% of the Monthly Benefit. We will do so before We reduce Your Monthly Benefit by any other income.

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

GBD-1200 F15

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, we will pay 1/30 of the Monthly Benefit for each day You were Disabled.

GBD-1200 F16

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 7) the date Your Current Monthly Earnings exceed:
 - a) 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Job; or
 - b) 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Any Occupation;
- 8) the date no further benefits are payable under any provision in The Policy that limits benefit duration.

GBD-1200 F18 (MD)

Family Care Credit Benefit: *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is \$350 but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease when You are no longer in a Rehabilitation program; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. In no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

GBD-1200 F25

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Disability Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

We will pay the Survivor Income Benefit:

- 1) to Your Surviving Spouse;
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children; or
- 3) if no Surviving Spouse or Surviving Children, to Your estate.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

The Survivor Income Benefit is shown in the Schedule of Insurance.

Surviving Spouse means Your spouse who was not legally separated or divorced from You when You died. "Spouse" will include Your domestic partner, provided You have executed a domestic partner affidavit acceptable to us, establishing that You and Your partner are domestic partners for purposes of The Policy. You will continue to be considered domestic partners provided You continue to meet the requirements described in the domestic partner affidavit.

For Vermont residents:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.
