Dear Member,

Our records indicate that you and your child are eligible for coverage under the Transit Employees' Health & Welfare Plan. According to Appendix B, Section H (5) of the agreement between the Washington Metropolitan Area Transit Authority (WMATA) and Local 689 of the Amalgamated Transit Union AFL-CIO, effective May 1, 1995:

"If two or more employees of the same family are eligible for separate family coverage, their coverage shall be consolidated into one family plan."

In accordance with this provision, you may enroll your child under your health plan.

The enclosed form allows you to add or maintain your dependent child's coverage under your plan. This arrangement may be voided at any time by either you or your child. Please note that your child is only eligible to remain on your plan until the end of the month in which they turn 26, unless otherwise specified by the plan.
